### ***Reviews***

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Dog stories, cat stories, redneck stories, horse stories, Hong Kong stories, and of course the infamous hog stories. I d like to meet Michael LaRocca - he seems like a great person. I admire those who turn adversity into something positive.I m still amazed that someone who held a boar s penis in his hands on a daily basis ended up teaching conversational English in China. Brett Scott, Timeless Tales Many times throughout the book I found myself laughing hysterically over his perspective on life, whether or not it was in America or Hong Kong. It s a personable book and I enjoyed it immensely. How Red Is My Neck? gives us a view of China that we might not find in American media.We could learn a lot from each other and our contrasts. If you re looking for a book that touches your heart and keeps it light as well, this is the one for you. I really loved this book and give it a top rating of 10.
