# THE DISCOVERY OF GENESIS

Concordia Publishing House. Paperback. Book Condition: New. Paperback. 120 pages. This linguistic analysis of the Chinese language suggests the ancient Chinese were well aware of the God of Abraham. Readers will discover the possibility that the Chinese were a remnant of the Tower of Babel dispersion. The authors start with the observance of some astonishing points of correspondence between certain characters in the Chinese language and elements of the Genesis account of man's early beginnings. They go on to analyze...
