Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Home School of the Century s Progress Measuring epochs, or eras, by spaces of a hundred years each, that which embraces the nineteenth century stands out in sublime and encouraging contrast with any that has preceded it. As the legatee of all prior centuries, it has enlarged and ennobled its bequest to an extent unparalleled in history; while it has at the same time, through a genius and energy peculiar to itself, created an original endowment for its own enjoyment and for the future richer by far than any heretofore recorded. Indeed, without permitting existing and pardonable pride to endanger rigid truth, it may be said that along many of the lines of invention and progress which have most intimately affected the life and civilization of the world, the nineteenth century has achieved triumphs and accomplished wonders equal, if not superior, to all other centuries combined. Therefore, what more fitting time than at its close to pass in pleasing and instructive review the numerous material and intellectual achievements that have so distinguished it, and have contributed in so many and such marvelous ways to the great advance and genuine comfort of the human race! Or, what could prove a greater source of pride and profit than to compare its glorious works with those of the past, the better to understand and measure the actual steps and real extent of the progress of mankind! Or, what more delightful and inspiring than to realize that the sum of those wonderful activities, of which each reader is, or has been, a part, has gone to increase the grandeur of a world era whose rays will penetrate and brighten...
