Createspace, United States, 2012. Paperback. Book Condition: New. Anna V Chastain (illustrator). 203 x 133 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Are you single? Divorced or widowed, perhaps? Are you having your second, third, or fourth go at soul mate searching? Me too! Do you look around at paired-up peeps and wonder why you haven t been picked yet? Or, as I have learned, do you acknowledge the happy couple and snicker silently because you know where they re heading? In the eight years since my divorce, I ve gone on hundreds of dates. Now, I could consider that a problem, which I should have taken responsibility for after failure, say, number twenty. On the other hand, I can see it as a natural process for someone with such discerning tastes. Either way, if I don t vent about my struggle I m going to cramp up and need a new jacket and rubber walls. So, come with me on my little journey here in my sixth book on the subject. (There s no end in sight.) I must warn you that I enjoy swearing and writing about sex. You re going to see the F-word quite a few times in the following pages. If that ultra-flexible word is going to leave a bruise, put the fucking book down now. If it tickles you, follow me into hell in a wine bottle.
