Createspace Independent Publishing Platform, United States, 2009. Paperback. Book Condition: New. 201 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.In this biography, Rex Malik candidly shares his story about his difficult childhood. Rex lived a peaceful and a very good life growing up in his teens and twenties. He also deals with the minorities, constantly fights for his human rights, and wins. In his teens he went to college and later dropped out. Then he went back home and discovered that he has Schizophrenia in 1993. But, luckily Rex Malik recovers and goes back to college to become a patriot. In 2004 his life changed when he moved to California. Still, in 2007 life took another bad turn when he became a patient at a state run hospital. It s great that this book is not targeted to one audience. Ray Malik is diverse and he has had to face several challenges in his life. Ray goes through a lot of turmoil as he tries to find the right doctor, the right health care plan, and also when finding the right city to settle in, the right role models, the right friends in his life.
