Some excerpts from the INTRODUCTION: JAPAN, superficially, is now pretty well known to the world, but as regards her internal affairs she still remains quite a dark country to the Occident. Her women, for instance, are misunderstood to a great extent, for it is impossible that visitors who have hitherto written upon Japan could see them in their true light, without any acquaintance with their homes. We, therefore, publish this pamphlet to place them just as they are before the eyes of the world on this occasion of the Worlds Fair. It must be understood, however, that this small treatise cannot but leave many points untouched. How do the Japanese women compare with their American or European sisters This question it is our object to answer, not by means of argument or criticism, but by a series of facts, which will enable readers to judge for themselves. Firstly, we shall speak of Japanese women in political affairs. Their interference in them was sometimes for good, and at other times for evil. Our politics were by no means free from certain well-known evils, produced by their interference, but we will pay more attention to the good results effected by their political acts. Women used to play an important part on the political stage in ancient times. This is, indeed, one of the reasons why women were in general highly esteemed in old Japan. Secondly, of the contribution of women to literature, and their standing in the lettered community. Thirdly, of what women have done in religion, as patrons and votaries. Fourthly, of the domestic life of women, as daughters, wives and mothers. Fifthly, of the industries of women. Sixthly,...
