Brand New Book ***** Print on Demand *****.In this lesson, Laurelei and Natalie walk you through the elements of a basic Witchcraft ritual, provide pointers on developing your ritual awareness, offer a complete ritual using only gestures and movement, discuss participant roles within ritual structures, suggest a checklist to complete prior to leading group ritual, and provide a complete sample ritual for your adaptation. Asteria Books is proud to offer what will be an extensive digital and print library of curriculum guides for students of the Craft and occult arts. We understand that novice practitioners are yearning for material in comprehensible portions over a potentially wide range of topics, which is precisely what we provide. As an OWLS reader, you can choose from lesson titles in any course to create a comprehensive Book of Shadows or Grimoire. Furthermore, each OWL book comes with its own 10-question quiz and answer-key, allowing you to check your knowledge when you finish. OWLS are a great way to build a reference library, begin (or end) a Book of Shadows, or plan a Craft 101 class for your coven.
