Apex Publications, United States, 2012. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Celia s body is not her own, but even her conscious mind can barely tell the difference. Living on the cutting edge of biomechanical science was supposed to allow her to lead a normal life in a near-perfect copy of her physical self while awaiting a cure for a rare and deadly genetic disorder. But a bioandroid isn t a real person. Not according to the protesters outside Celia s house, her coworkers, or even her wife. Not according to her own evolving view of herself. Love, passion, reality, and memory war within Celia s body until she must decide whether to betray old friends or new ones in the choice between human and machine. *Don t forget to check out Jennifer s short fiction collection Unwelcome Bodies also from Apex Publications!
