This book will suggest some answers to the many questions that people of all beliefs have asked or wondered about on their Life s Journey and in their spiritual beliefs. Each topic covered should give the reader enough insight to stimulate their interests. From there they may wish to pursue certain topics for further guidance and studies. The contents of this book largely consists of concerns and questions that people have raised over a thirty year period during which WinterHawk has studied and lectured. Ones Journey consists of many paths of learning, but is useless without the true destination Messenger of Light.
