Supporting Civil Society in Somalia: International Assistance That Promotes Democracy and Stability (Paperback)

By U S Army Command and General Staff Coll, U S Army Command and General Staff Col

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The international community intervened repeatedly in Somalia since the central government fell in 1991. These interventions failed to produce a stable, elected government. Instead, over the last 20 years Somalis faced famine, terrorism, sexual violence and lack of basic public services. Somalia's problems stem from lack of political unity and rule of corrupt elites who misappropriate foreign aid and national resources. However, even with the pressures of the last two decades, parts of Somali society prospered and show the development of civil society that would serve as counterweights to a predatory government. The international community and the US should provide support around the edges of Somali politics and society. Actively engaging the center through a brokered peace deal or lengthy military occupation invites corruption and mistrust. Aggressive intervention such as establishing an international administration over Somalia would unnecessarily cause friction. It also would delay Somalia's development as a unified, strong country. Numerous Somalis possess the technical ability to run a government. What is missing is accountability.

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
