

## Brave New World Revisited (Paperback)

---

By Aldous Huxley

Vintage Publishing, United Kingdom, 2015. Paperback. Book Condition: New. New edition.. 198 x 129 mm. Language: English . Brand New Book. In his 1932 classic dystopian novel, *Brave New World* , Aldous Huxley depicted a future society in thrall to science and regulated by sophisticated methods of social control. Nearly thirty years later in *Brave New World Revisited* , Huxley checked the progress of his prophecies against reality and argued that many of his fictional fantasies had grown uncomfortably close to the truth. *Brave New World Revisited* includes Huxley's views on overpopulation, propaganda, advertising and government control, and is an urgent and powerful appeal for the defence of individualism still alarmingly relevant today.
