Scholastic, 1999. Softcover. Book Condition: New. First edition. Children will enjoy this sweet story about a puppy that loses a tooth and is determined to make sure that the tooth fairy pays him a visit. Summary of the Book A little puppy has a loose tooth and he decides that he is going to keep it under his pillow when it finally falls off. This is a tradition that is followed so that the tooth fairy can come visit the one who has lost their tooth. However, the puppy's tooth falls off while he is eating and he accidentally swallows the tooth along with his food. The puppy wonders what he could do to prove to the tooth fairy that he has actually lost a tooth. So, the clever canine takes a Polaroid picture of his smile and leaves this as proof. This story will inspire children in many ways as it teaches them that there is always a solution to every problem. This way, they will learn not to worry about petty things like they usually would at their age. The illustrations in this book will highlight the varied emotions of the puppy, thus making it even more interesting for kids. Printed Pages: 32.
