

Shadow and Light

By Ann Caulfield

Austin Macauley Publishers. Paperback. Book Condition: new. BRAND NEW, Shadow and Light, Ann Caulfield, During class, Ann and Win see a seven foot tall figure with wings. A medium and psychic, she believes angels appear during times of sorrow, warning of difficult times to come, or bringing comfort during challenging times. We hear of stories from non-mediums who have also experienced the presence of an angel. As a child, Ann had out of body experiences which she knew to keep to herself, especially when she learned how worried her mother was about her brother, who had experienced the same thing. Fortunately, Ann meets Julie (also a psychic) who had similar interests in life and death. They decide to play the Ouija board and alphabet game, and to their surprise are sent messages about her future. What does this experiment with the spirits reveal about Ann's life, and will they be accurate? After becoming a professional medium, Ann discovers psychic art, tarot cards and psychometry. Can she connect with other spirits for the sake of others? And what do her dreams tell her about her family?.
