Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.Excerpt from Richard Wagner: Musical Genius The genius of Richard Wagner may be said to be the most striking and powerful that has made itself felt in the world of music since the days of Beethoven. Indeed, he stands an almost unmatched personality in the history of art, for he was not only a great musician, but a poet, dramatist, and philosopher as well. No doubt, to some extent, Wagner owed his genius to heredity, for his father, Carl Friedrich Wagner, was a man of culture and refinement, while his mother was also intellectual and artistic. Richard was the youngest of nine children, and was born at Leipzig on May 22, 1813. He entered the world in times of trouble, for in the October of that same year came the Napoleonic battle of Leipzig, and, owing to the dreadful condition of the place after the war, his father fell the victim of a fever which caused his death. His mother was left very poor, and, after a two years struggle to support herself and her children upon the small pension allowed her, she married again in 1815. Richard s stepfather was Ludwig Gezer, a painter, author, and actor, and through him the boy conceived a strong love for the stage.
