Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Manual on Barbering, Hairdressing, Manicuring, Facial Massage, Electrolysis and Chiropody: As Taught in the Moler System of Colleges In the pages following it has been my intention to illustrate and present a set of rules that will at all times be a guide, both while learning and after completing the trades. I have tried to present a system thorough and simple, illustrating in detail the requirements for the real artist and the training necessary to familiarize them with the technical details of the profession. By reason of my eight years constant teaching and my fifteen years of service in the work, I feel that no one has had a better opportunity to practice and study the work that I now lay before you. I hope to make this book of more than ordinary service, and by following its instructions closely, combined with the advantages our colleges offer, there is no chance for failures.
