Brand New Book ***** Print on Demand *****.MENAGERIE [Erotic Sci-fi/Multiple Partner Romance] What s a girl to do with five hot guys who need her for their sexual survival? Create a weekly schedule. Accidentally transported to an alien spaceship, Valerie Thornhill inadvertently volunteers to be a virtual sex slave for five men. A shortage of females and her blatant curiosity aboard the alien vessel conspire and set fate in motion. The fact that the five are sexy and attractive is helpful when she learns the term of service is three years. Forbidden to show favoritism within her unusual household for the duration of the long trip, Valerie still can t help falling in love with the most intriguing one of her male harem. The fact that she is apprehensive about his demeanor and overall size only heightens her desire for him. When the aliens discover Valerie s indiscretion, the ultimate price for her desire may jeopardize the return trip to Earth for all of them. ** OUTSTANDING READ: A+/5: Menagerie by Lara Santiago is unlike any book I have ever read. Erotic and original, this sci-fi story grabs you from the first page and keeps you thoroughly involved until the last word. Ms. Santiago has come up with an alien story unlike any other and her imaginative style, world building and strong heroines, who always have a touch of humor, never cease to entertain. Ms. Santiago weaves a story so steamy you ll need to sit on a block of ice to keep from overheating! Each of these men is more alpha and sexy than the next. The heroine is strong, funny and would make a great best friend. I really loved this book...
