Told in the author's usual straightforward, funny, favorite-aunt style, The Guy Book delivers sound information and useful advice for boys preparing to go through, or in the midst of, puberty. Boys will find specific information on a variety of subjects, from getting rid of acne to buying birth control to finding help for depression. Answering questions that are too embarrassing to ask, dealing with guy-basics like tying a tie, being a good friend, and essential dating dos and don'ts, this is a must-have for boys who want to get the facts, be in control, and learn how to make informed choices.

*Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*
