In addition to a brief (and honest) history of Tarot, you'll discover how to choose the best Tarot deck for your purposes, how to use (and create) your own problem-solving layouts and spreads, and how to read the cards for yourself and others. When you're ready to learn more, the included resource guide points you to the best books and online resources available today. Basic meanings for every card are included. (For more detailed cards meanings -- including astrological and mythological correspondences and applications for relationships, work, spirituality, and fortune-telling, please see the companion book, A Guide to Tarot Card Meanings.)...
