Field Manual FM 1-06 Financial Mngement Operations April 2011

By United States Government US Army

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 192 pages. Dimensions: 11.0in. x 8.5in. x 0.4in. FM 1-06 is the Armys keystone manual for Financial Management (FM). Its purpose is to provide the authoritative doctrine on how FM supports the full spectrum of operations as a component of the theater sustainment war fighting function. It expands on existing doctrine introduced in FM 4-0, Sustainment, to incorporate a broader approach to supporting the fighting force. The intent of this manual is to describe how FM complements combat power, supports strategic and operational reach, and enables endurance. This manual provides the foundation of FM doctrine, organizations, training, materiel, leadership and education, personnel, and facilities development to support the modular Army, and establishes how FM operations are integrated and synchronized into the overall operations process plan, prepare, execute and assess. The term Financial Management refers to both finance operations (FO) and resource management (RM) responsibilities. The fundamental purpose of the Army is to provide joint force commanders with sustained and decisive land forces necessary to fight and win the nations wars. Focused FM support that is responsive, flexible, and precise is crucial to the Armys ability to rapidly project power...
